Kristoforus Nugrahanto, S.Psi. | Fresh Graduate, Tarumanagara University

Bekasi, Indonesia, (+62)85772518980, hatarakris@gmail.com, LinkedIn

---

SUMMARY   Fresh graduate from Faculty of Psychology, Tarumanagara University with a keen interest in the field of Analytics. I'm a skeptic and a data-driven problem solver who enjoys trial and error.

EXPERIENCE

Mar 2023 – Jul 2023 | STS Research Group, Tarumanagara University

Research Assistant

- Assisted in field researches in three different cities. Activities include field interviews, distributing questionnaires, and assisting in quasi-experiments.
- Worked as a team to create measurement tools / surveys by translating and adapting existing ones, found from reputable scientific papers.
- Responsible for leading the data entry process of ±600 survey participants, which would then be curated, compiled, and processed using MS Excel, IBM SPSS, and JASP.
- Worked as a team to write and incorporate research findings into scientific papers which would then be published.

Jan 2019 – Apr 2019 | Kompas Gramedia

Intern at Digital Publishing

- Worked as a team to process scanned physical books into digital books or ePUB. Said process includes touching up book covers using Adobe Photoshop and arranging book layouts using Adobe InDesign.

EDUCATION   **Sep 2020 – Feb 2024**

Bachelor of Psychology, Tarumanagara University, Jakarta (GPA: 3.81)

TOOLS & SKILLS

Technical Skills : Data Processing and Analysis, Data Visualization
